Planify

It is really important that verify the pick up hour with your travel agent. It is possible inform him/her about your flight number and approximated arrival hour.

Is necessary go to a camping-side?

The motorhome has totally autonomy. About the electricity it has two batteries connected, when you start the engine both recharge. You can be stoped even 4 days with a normal consume of light. About the water the most easy is filling up when you going to fill up the diesel (it has a deposit of clean water about 120 liters (depend of the model). For all this it isn't necessary go to a camping-side but is adviceble in main cities like Paris, Madrid or Rome.
