**Comments:** *This motorhome have a double bed up the cabin, very comfortable because it isn't so high that in the rest of the layout (this bed and the back bed have a protector in order the children do not fall), and other double bed in on back of the vehicle. a double bed in the dinned and other double bed in the back of the vehicle.*

*This motorhome is easier to driven than Groups D, E, F, G or H, due at his aerodynamic and his special construction, with the gravity point lower. This motorhome is perfect for a family or two couples. One vehicle for the most luxury loving..*

*This motorhome are full equipped with kitchen with a bigger fridge of 150 liters, hot water shower, and so on. The shower is comfortable even in winter because it has an exit of direct heating in the bath. Television with DVD included, indirect lights outside the vehicle it has an exterior compartment with space to put even four bikes. It is not allow carry motorbikes.*

*All that you*

*Need*

La distribución horizontal del armario ropero hace posible un óptimo aprovechamiento. En función del modelo, se dispone de un cajón adicional para la ropa. Sin olvidar los pequeños detalles, como por ejemplo, el calzador.

Relax ...

*Even the minimum* ***Detail***

# 1) Why travel in Motorhome

- Because it allows you to realise a travel at your measure, alternate natural places with great European cities.
- The time is yours, you will decide if you wish to remain more time in this special beach in the north the Spain, or spend the time that you desire in the Prado museum in Madrid.
- Ideal to travel with children, you will have all with you, like being at home: it cooks with refrigerator, beds, bathroom, etc.

# 2) Why a motorhome of brand Hymer

- Because Hymer is the brand with better insulation. Its patented pual system makes that you have a pleasant travel even in really low temperatures. It is perfect to skiing or to support high temperatures too. The pual system is also great noise insulation.
- Because we do not forget safety, our motorhome have the security system: ABS, ASR, RWD, Double Airbag, all the technology to make safety your travel.

# 3) Why with Autocaravan Express

- In our staff we have mechanicals with experience in motorhomes that will help you if you have some doubt or problems during your travel. We have expert in mechanical, electricity, and so on. We are working with the brand Hymer during more of 20 years.
- Because even being the brand more expensive in the market, we know that in rental the quality is very important, and is a guaranty of relaxes holidays.
- Because we rent motorhome during more of 22 years, and our experience makes learn of our mistakes. All our staff is passionate users of this way to travel, we can help you if you have some doubt in your travel program. The most of us we travel around all Europe and Morocco. We will be at your entirely disposition.
